Community Impact Council Volunteers Needed

Every year, the United Way makes funds available to local programs and organizations through an application process. Funds are granted in December that benefit the northern Idaho **ALICE** population.

UWNI seeks additional volunteers for the **3 Impact Councils** to help decide and review the applications — and keep tabs afterwards to see how things are going.

WHEN: A burst of activity takes place in Oct. and Nov. which involves both group video/remote meetings and site visits of applicants. Mid-year (July) and end-of-year (Jan.) reports are reviewed online.

Responsibilities of an Impact Council volunteer:

- **Active** and timely participation in the application reviews, discussions/ deliberations
- Share your knowledge and relative experiences; insights from research and assessments
- Maintain independence and objectivity
- Disclose conflicts of interest
- Maintain confidentiality

For more information.

Three Focus Areas to choose from

Education Impact

Children enter school ready and are successful in primary school; youth gain the knowledge, skills, and credentials to obtain family-sustaining employment.

Financial Stability Impact

Individuals and families improve their socioeconomic status

Health Impact

Individuals and families have access to healthcare and improve their health

Make a difference!
